Ogden, Sunday, Dec. 25.

## HONORED THEIR EMPLOYER.

Scowcroft Employees Made Presentation.

The employees of the John Scowcroft & Sons company, following out a pleasing custom established a number of years ago, last evening made one of the members of the firm a handsome present in token of the good will and mutual confidence existing between employees and employers. Heber Scowcroft was the member selected this year for the honor, and at about 5:30 last evening seventy-two of the eighty-five employees of the firm, including those who were in the city assembled in the office of the great warehouse, and W. S. Lockhead, representing the employees, presented a magnificent large cut glass punch bowl and service. Mr. Scowcroft responded, calling attention to the spirit of loyalty prevailing amongst the employees, and thanking the donors for the manner in which they carry the Christmas spirit throughout the year. Mr. Van Dam, another of the employees, made a few remarks while the punch bowl was being filled, and then a short season of sociability was the order. The firm remembered each one of its employees with a suitable present.

## YOUNGEST CONDUCTOR DEAD.

Harry E. Taylor Passes Away, After Weeks of Illness.

Harry E. Taylor died last night at his home in the Knappton block of heart trouble, which had confined him to his room for weeks. He was 24 years of age and for more than three years had been employed by the Southern Pacific. It is said that he was the youngest man who was ever given charge of a train as a conductor.

## OGDEN MADE HEADQUARTERS.

Dining Car and Hotel System to Be Operated From Junction City.

The order making Ogden the headquarters of the dining car and hotel system of the Harriman lines for the western district has gone into effect and will in the near future call for a considerable increase in the office force here, as it will also make this the central purchasing point for supplies used on the system.

It is also understood that the Barklow news agency, which has the control of all news agents on trains through the west, will establish western headquarters in this city. This is expected to take effect early in January.

## Ogden Society.

Preparations are being made for the annual ball of the Ogden club, which is to be at Kiesel hall the evening of Jan. 5. The banquet feature of previous events of this kind is to be eliminated, but a buffet lunch has been arranged for by the committee.

Mrs. Archie Bowman and family, who are spending the winter at Logan, are home for the holiday season.

Miss Segard, daughter of Mr. J. J. Jolley, and Mr. J. Munger of Denver were united in marriage yesterday at the Fashion rooming house. The ceremony was performed by Rev. Joseph Hall.

Wednesday evening occurred the marriage of Miss Ella Schaller at the home of the bride's parents, Mr. and Mrs. H. C. Tavey, 539 Twenty-third street. The ceremony was a pretty wedding and a great success.

At 7:30 the familiar but ever beautiful march of Mendelssohn was the signal for the orchestra, which was hidden behind a bank of palms and evergreens in the spacious reception hall, and the bridal party appeared on the staircase, which was twined with smilax and holly. Little Alberta Tavey preceded, bearing a large bouquet of flowers. Then came Mrs. McGonigle, sister of the bride, as matron of honor, and Miss Ada Flanagan and came the beautiful bride on the arm of her father through the hall into the drawing room, which was a bower of palms and pink and white roses, where they were met by the groom and his best man, R. S. Swain. Rev. Alfred Brown of the Episcopal church performed the ceremony, during which time the orchestra played softly.

The bride wore an exquisite gown of cream silk and lace over cream tulle, and carried a shower bouquet of white roses and lilies of the valley. The attendants were gowned in pink crepe and carried pink carnations.

From 8:30 to 11 the home was thronged with friends of the young married couple, who came to wish them joy and success in their new life. Throughout the evening punch was served in the library by Miss Vera Tavey.

The decorations of the dining room were red and green. The red carnations amongst the holly and evergreens gave a beautiful effect. The refreshments were served by several young girls. The wedding gifts were beautiful and numerous.

Mr. and Mrs. Kahler left on the morning train for an extended trip to the coast, and on their return will be at home to their friends in Salt Lake City.

John L. Place in Ogden from Bingham to spend the holiday season at home. Miss Emma Osborne of southern Utah is in Ogden. Mrs. Edward Kirk entertained Tuesday afternoon at a prettily arranged Reunion, complimentary to her sister, Miss Thompson.

The Christmas idea was carried out in the decorations here and an evening being used in profusion in the different rooms. After an hour or two pleasantly spent in needlework and elegant luncheon was served. Covers were laid for fourteen, and the menu was most elaborate. The most attractive feature of the afternoon, however, was the bringing in by the hosts of a small Christmas tree, prettily decorated with tinsel and candles, which was placed in the center of the table. A

number of parcels were hung to the branches and others were laid around the tree. The parcels were numbered, and each guest was given a slip of paper with a number on it to correspond with that of one of the Pandora bundles. After the drawing of each guest found herself to be the possessor of a pretty Christmas souvenir. Among the souvenirs were lace handkerchiefs, work baskets, opera bags and other useful and appropriate gifts. The guests of the afternoon were Messrs. Thompson, Frank Town, Bond, Hole, Coulter, Bostaph, Scott, Hurst, Richard, Gideon, Bailey, Agee, Randall, Roberts and Henderson.

## NEW THEORY EVOLVED

Victim of the Cutler Mountain Tragedy May Have Been an Actress.

Colorado Springs, Colo., Dec. 24.—Officers now engaged in attempting to solve the Mount Cutler murder mystery are quietly working on what they claim to be the best clue yet secured.

The new theory upon which they are working is that the deceased was a member of one of the theatrical troupes that visited this city during the past two months, and was put out of the way by some male member of the company on account of jealousy.

The police are now in telegraphic communication with managers of a number of companies which were here between Nov. 1 and Dec. 20, to ascertain if any of their members are missing.

Chief Reynolds has ascertained that one young woman, believed to be Miss Lucille Villiers, who was a member of a theatrical company, was released here and furnished with transportation to St. Louis.

The description of the girl discharged here is said to tally with that of the body found on Mount Cutler.

## GIVEN THEIR LIBERTY

Prisoners in the County Jail at Jersey City Lose Christmas Dinner.

New York, Dec. 24.—Ante-Christmas mercy was dispensed in an unusual manner by Judge Frank J. Higgins in the First criminal court at Jersey City today in releasing fifteen prisoners from the county jail. After the regular session of court today the judge called together the court attaches and clerks and four women, he put in the court and informed them that in recognition of the Christmas season he had decided to permit each of them to name one prisoner in the county jail whose release they desired. The prisoner thus named would be given immediate freedom by order of the judge. The beneficiaries were to be eleven men and four women, he provided. It required but a moment for the officers and reporters to make their decisions, and fifteen cell doors swung open and the prisoners were told that they were at liberty.

Only one of the persons thus liberated appeared ungrateful. He was clearly disappointed at the prospect of losing his comfortable quarters and opportunity to be present to partake of the hearty Christmas meal which he guessed his only chance to get drunk and disorderly and get locked up again," he said, as he walked away from the jail with a dejected air.

**SMALLPOX FATALITIES.**

Four Deaths in Chicago Isolation Hospital.

Chicago, Dec. 24.—Four deaths in the isolation hospital today broke the record for the institution, and cast a chill over the Christmas festivities which party appeared on the staircase, which was twined with smilax and holly. Little Alberta Tavey preceded, bearing a large bouquet of flowers. Then came Mrs. McGonigle, sister of the bride, as matron of honor, and Miss Ada Flanagan and came the beautiful bride on the arm of her father through the hall into the drawing room, which was a bower of palms and pink and white roses, where they were met by the groom and his best man, R. ## DEATH BY HANGING

Suffering From Mental Aberration, J. Peter Christensen Takes His Own Life.

Ridgfield, Dec. 24.—J. Peter Christensen of Redmond committed suicide Thursday morning by hanging himself in a small granary. Mr. Christensen went out about 10 o'clock, as it was his custom to take a walk every morning. He had shown slight mental unbalance during the past couple of weeks, and one of the crown sons thought he would go out and make a search for him, as he had been gone for several hours. On going into the granary the son was horrified to find his father hanging by a small cord from one of the rafters, his feet on the floor and his knees almost touching. He was dead when discovered and had been dead some time. The boy being almost alone, he carried his father into the house, and then went and notified the family in different parts of the town. The case of Peter Christensen is a few years ago in sleep, and has brooded considerably ever since over his losses. Being alone in the house he was unable to get on his feet again financially, and from this he had gradually grown despondent. He had not indicated any suicidal thoughts and for this reason it came as a complete surprise to his family. He was 35 years of age, and leaves a wife and seven grown children. He moved to Redmond several years ago from Mantle, at which time he was considered very well to do.

## PIANO TUNER CAUGHT.

City Marshal Compels Him to Finish Job Contracted For.

American Fork, Dec. 24.—The piano tuner who skipped out with Mrs. Robinson's five dollars, which she had advanced him to purchase springs to repair her organ, was located yesterday by Marshal Logan and made to go and finish his job, which he did reluctantly. He was found in a saloon, where he had been drinking time on the money he had gotten from Mrs. Robinson.

Mrs. Myrtle Boley, wife of Warren C. Boley, a prominent merchant of this place, died very suddenly yesterday afternoon of heart failure. She gave birth to a child about a week ago and was getting alone fine. She ate a hearty dinner yesterday noon, and was feeling very well. Along in the afternoon the nurse assisted her to raise up in bed, when she suddenly fell back and expired before medical aid could be summoned. The deceased was a highly respected young woman, about 25 years of age, and leaves a husband and two children to mourn her untimely end. One of them, a week-old baby, and the other, a child about two years old. The suddenness of the death has cast a gloom over the whole town. Funeral will be arranged later.

## SAFE BLOWN AT LEHI.

Secure About \$75 in Gold From Tithing Office Safe.

Lehi, Dec. 24.—The safe at the tithing office was blown open last night and about \$75 in gold and between \$250 and \$300 in coupon books stolen. When John Stoker, the tithing clerk, came to his office this morning he found the door locked and he found the door of his safe lying on several sacks of bran and oats. The contents of the safe were not taken, but the safe was blown open and the contents were scattered about the room. The safe was blown open and the contents were scattered about the room. The safe was blown open and the contents were scattered about the room.

No clue has yet been obtained of the robbers, though the neatness of the job would infer the robbers to be professional. A hole had been bored in the top of the safe and a tin tube inserted, through which the explosive was poured into the interior of the safe. A number of sacks of bran, oats and wheat were placed on the floor and the safe was blown open and the contents were scattered about the room.
